CORNELY
MILLINERY HIGH POST THREE THREAD CORDING MACHINE WITH CHANGEABLE GEAR ATTACHMENT AND BRAIDING ATTACHMENT. MACHINE “LGCH”

Manufactured by
Anciens Etablissements
R. Cornely & Cie., Paris, France

This machine has been devised particularly for millinery, being constructed especially for working on finished shaped body hats of felt, velour, silk and straw.

The machine produces all the work of our regular Cornely Machine “LG,” such as Changeable Gear Stitching, Diamond Stitch, Three Thread Cording, both round and flat, Two Thread Cording, Gimp Stitch, Spark or Feather Stitch, Imitation Hand Embroidery, or Fancy Boulogne Stitch, Persian Lamb Stitch, Chainstitch Braiding, both flat and raised, Chainstitch and Moss Stitch Embroidery.

We carry a Millinery High Post Machine similar to the above without the changeable Gear Attachment, and this is similar to our regular Cornely Machine “L,” and is designated as Machine “LCH.”
