

CIRCULAR D.
FROM THE ERIC SEWING MACHINE COMPANY.

THE GREATEST INVENTION OF THIS AGE OF INVENTIONS!

UNSURPASSED FOR CERTAINTY AND RELIABILITY OF STITCH, FOR
EASE AND GRACE IN MOVEMENT, AND FOR ABSOLUTE WORTH,
BY ANY FAMILY SEWING MACHINE EXTANT.

Manufactured for the Company by their employes in New England, embracing
a large corps of the most skillful workers in Iron and Brass to be found
in the United States!

In presenting the Best Family Sewing Machine to the Public, we do so with the
warm confidence in its practical utility, its adaptation to the wants of the masses, and its intrinsic merits never before known in the
family household.

A Diploma was awarded our Machine by the Industrial Association
of Farmers & Mechanics, held at Chambersburg, Pa., at its Exhibition
in 1860, over the Grover & Baker and Boudoir Machines!

OUR AGENCY SYSTEM.

We have found by experience that our business can be prosecuted with better ef-
fect through a well-organized plan of Agencies than any other mode. We are therefore prepared to offer employment in the same
kind, at highly remunerative salaries, to the possessor of an agent in light and pleasant and increasing his facilities for an extensive
organization and influence. We desire to know that our instruments are rare and seldom to be met with.
