

TABLE OF CONTENTS.

	PAGE
CHAP. I. General Remarks on the Pacific Ocean, - - - - -	9
Topography, - - - - -	11
General Geological Constitution of Islands, - - - - -	23
Geological agencies, - - - - -	26
 CHAP. II. On Coral Formations, - - - - -	 29
1. Features and Structure, - - - - -	30
General Remarks, - - - - -	30
Fringing and Barrier Reefs, - - - - -	33
Forms, - - - - -	33
Structure, - - - - -	36
Thickness, - - - - -	46
Coral Islands, - - - - -	48
Forms, - - - - -	48
Structure, - - - - -	57
Completed Coral Island, - - - - -	75
2. On Coral Zoophytes, - - - - -	80
Structure and growth, - - - - -	80
Texture and composition of Corals, - - - - -	89
Causes influencing growth, - - - - -	93
Rate of growth, - - - - -	101
3. Formation of Reefs and causes of their features and Geographi- cal Distribution, - - - - -	 103
Formation, - - - - -	103
Causes modifying their forms and growth, - - - - -	114
Rate of growth of Reefs, - - - - -	121
Origin of forms of Barrier Reefs and Atolls, - - - - -	123
Geographical Distribution, - - - - -	134
4. Geological Conclusions, - - - - -	147
 CHAP. III. On the Hawaiian Islands, - - - - -	 155
1. Island of Hawaii, - - - - -	158
