

## 12. *Euphoria dimidiata*.

*Cetonia dimidiata*, Gory & Perch. Monogr. Cétoin. p. 275, t. 53. fig. 7<sup>1</sup>.

*Euphoria dimidiata*, Burm. Handb. der Ent. iii. p. 380<sup>2</sup>.

*Hab.* MEXICO<sup>1 2</sup>, Hacienda de Bleados in San Luis Potosi (*Dr. Palmer*), Orizaba, Cordova, Vera Cruz, Guanajuato (*Sallé*), Jalapa, Atlixco, Tonila in Colima (*Höge*); GUATEMALA (*Sallé*), San Joaquin, San Gerónimo, Tocoyn (*Champion*), Chimaltenango, Escuintla (*Conradt*).

In all the very numerous examples the apex of the elytra and the pygidium are clothed with silvery-grey setose hairs, with no trace of the compact tomentum of *E. leucopyge*.

## 13. *Euphoria pulchella*. (Tab. XXIII. fig. 6.)

*Cetonia pulchella*, Gory & Perch. Monogr. Cétoin. p. 279, t. 54. fig. 4<sup>1</sup>.

*Euphoria pulchella*, Burm. Handb. der Ent. iii. p. 381<sup>2</sup>.

*Cetonia ferrugata*, Gory & Perch. Monogr. Cétoin. p. 276, t. 53. fig. 8 (*C. pulchella*, var., Burm. loc. cit.)<sup>3</sup>.

*Cetonia Children*, Gory & Perch. Monogr. Cétoin. p. 275, t. 53. fig. 6<sup>4</sup>.

*Euphoria Childrenii*, Burm. Handb. der Ent. iii. p. 382<sup>5</sup>.

*Cetonia Thelasco*, Gory & Perch. Monogr. Cétoin. p. 279, t. 54. fig. 5 (*E. Childrenii*, var., Burm. loc. cit.)<sup>6</sup>.

*Cetonia Montesuma*, Gory & Perch. Monogr. Cétoin. p. 277, t. 54. fig. 2 (*E. childrenii*, var., Burm. loc. cit.)<sup>7</sup>.

*Hab.* MEXICO<sup>1 2 3 4 5 6 7</sup>, Pinos Altos in Chihuahua (*Buchan-Hepburn*), Ventanas (*Forrer*), Cordova, Orizaba, Vera Cruz, Toxpam, Oaxaca (*Sallé*), Almolonga, Chilpancingo in Guerrero, Sayula in Jalisco (*Höge*), Misantla (*F. D. G.*), Teapa, Atoyac (*H. H. Smith*); GUATEMALA (*Sallé*), San Gerónimo, Chacoj in Vera Paz (*Champion*), Tactic, Coban (*Conradt*); NICARAGUA, Chontales (*Belt*).

Most of the colour-varieties of this very variable species figured by Gory and Percheron were captured at Almolonga by Herr Höge, and others equally or more distinct appear in other Mexican localities. The examples from Guatemala are similarly variable in colour and markings, and they do not form a distinct local form.

## 14. *Euphoria basalis*.

*Cetonia basalis*, Gory & Perch. Monogr. Cétoin. p. 274, t. 53. fig. 5<sup>1</sup>.

*Euphoria basalis*, Burm. Handb. der Ent. iii. p. 380<sup>2</sup>.

*Hab.* MEXICO<sup>1 2</sup>, San Luis Potosi (*Dr. Palmer*), Chihuahua city, Sayula in Jalisco, Chilpancingo, Tacambaro in Michoacan, Esperanza, Jalapa (*Höge*), Puebla, Cordova, Parada, Guanajuato, Toxpam, Cuernavaca, Oaxaca (*Sallé*).
