

- 5'. Operculum apicem abdominis valde superans . . . . . *B. contractus*, Br.  
 4'. Thorax carinatus . . . . . *B. ignavus*, Rehn.  
 3'. Femora intermedia in tertia parte basali subtus utrinque bilobu-  
 lata . . . . . *B. foliatus*, Br.  
 1'. Vertex tuberculatus vel cristatus.  
 2. Vertex tuberculatus . . . . . *B. guatemalæ*, Rehn.  
 2'. Vertex bicristatus . . . . . *B. physconia*, Rehn.  
 Species incertæ sedis . . . . . *B. cacica*, Kaup; *B. palmeri*, Caud.

1. **Bacunculus striatus**, Burm. (Tab. V. figg. 5 *a*, *a'*, ♂; 5 *b*, ♀.)

*Bacteria* (*Bacunculus*) *striata*, Burmeister, Handb. Ent. ii. p. 567 (1839).

*Bacunculus striatus*, Brunner, op. cit. ii. p. 333 (1907).

*Hab.* NORTH AMERICA, Texas.—MEXICO (*Mus. Brit.*, *Berlin*, *Oxford*, *Geneva*, *Vienna*).

2. **Bacunculus mexicanus**, Gray.

*Heteronemia mexicana*, Gray, Syn. Phasm. p. 19 (1835).

*Bacunculus mexicanus*, Brunner, op. cit. ii. p. 333 (1907).

*Hab.* MEXICO (*Mus. Brit.*, *Geneva*, *Vienna*, *Budapest*).

This species is also included by Brunner under the genus *Bacteria* (op. cit. iii. p. 423), but an examination of Gray's type enables me to fix the systematic position of the insect with certainty in *Bacunculus*.

3. **Bacunculus pictus**, Br.

*Bacunculus pictus*, Brunner, op. cit. ii. p. 333 (1907).

*Hab.* MEXICO, Atoyac in Vera Cruz (*Schumann*, in coll. *Godman & Salvin*); GUATEMALA (*Mus. Stuttgart*, *Mus. Vienna*), Senahu in Vera Paz (*Champion*) [coll. *Godman & Salvin*: 2 ♂♂, types].

4. **Bacunculus prætermisus**, Br.

*Bacunculus prætermisus*, Brunner, op. cit. ii. p. 333 (1907).

*Hab.* GUATEMALA (*Mus. Vienna*, *Mus. Stuttgart*), San Gerónimo (*Champion*); COSTA RICA (*Van Patten*) [coll. *Godman & Salvin*: 2 ♂♂].

5. **Bacunculus inconspicuus**, Br.

*Bacunculus inconspicuus*, Brunner, op. cit. ii. p. 334 (1907).

*Hab.* MEXICO (*Mus. Paris*); COSTA RICA (*Mus. Geneva*, *Mus. Vienna*).

6. **Bacunculus unidentatus**, Br.

*Bacunculus unidentatus*, Brunner, op. cit. ii. p. 334 (1907).

*Hab.* MEXICO, Atoyac in Vera Cruz, Jalisco (*Schumann*, in coll. *Godman & Salvin*: 1 ♀, 1 larva).
