

- Desmodium venustum*, i. 290.
 — *villosum*, i. 291.
 — *viridiflorum*, i. 291; iv. 29.
 — *wislizeni*, i. 291.
 — *wislizenii*, iv. 29.
 DESMONCUS, iii. 413.
Desmoncus, iv. 152.
Desmoncus chinantlensis, iii. 413.
 — *oxycanthos*, iii. 414.
Despretzia mexicana, iii. 577.
 DEUTZIA, i. 384.
Deutzia, i. 385; iv. 229, 240.
Deutzia mexicana, i. 384.
 DEYEUXIA, iii. 553.
Deyeuxia, iii. 532, 554; iv. 149.
 — *capillaris*, iii. 580.
 — *eriantha*, iii. 553.
 — *evoluta*, iii. 553.
 — *evoluta*, iv. 297.
 — *gracilis*, iii. 554.
 — *junciformis*, iii. 554.
 — *junciformis*, iv. 297.
 — *liebmanniana*, iii. 554.
 — *liebmanniana*, iv. 297.
 — *orizabæ*, iii. 554.
 — *orizabæ*, iv. 297, 305.
 — *poæformis*, iii. 580.
 — *quadriflora*, iii. 554.
 — *recta*, iii. 554.
 — *schaffneri*, iii. 554.
 — *schiedeana*, iii. 554.
 — *schiedeana*, iv. 297.
 — *tolucensis*, iii. 554.
 — *tolucensis*, iv. 297.
 — *triflora*, iii. 554.
 — *triflora*, iv. 297.
 — *viridis*, iii. 555.
 DIACRIUM, iii. 221.
Diacrium bidentatum, iii. 221.
 — *bigibberosum*, iii. 222.
 — *bilamellatum*, iii. 222.
Diadenaria articulata, iii. 89.
 — *involuta*, iii. 89.
 — *pavonia*, iii. 89.
Dialesta discolor, ii. 75.
 DIANTHERA, ii. 517.
Dianthera anagallis, ii. 517.
 — *breviflora*, ii. 517.
 — *candelariæ*, ii. 517.
 — *candicans*, ii. 517.
 — *ciliata*, ii. 518.
 — *comata*, ii. 518.
 — *glabra*, ii. 518.
 — *inæqualis*, ii. 518.
 — *latifolia*, ii. 518.
 — *lindeniana*, ii. 518.
 — *mexicana*, ii. 518.
Dianthera multiflora, ii. 525.
 — *parvifolia*, ii. 519.
 — *pectoralis*, ii. 519.
 — *secunda*, ii. 519.
 DIANTHUS, i. 66.
Diapensiaceæ, ii. 285; iv. 185.
 DIAPERIA, ii. 135.
Diaperia multicaulis, ii. 135.
Diaphoranthema recurvata, iii. 322.
 — *uniflora*, iii. 322.
 DIASTEMA, ii. 477.
Diastema bracteosum, ii. 477.
 — *cristatum*, ii. 477.
 — *gloxiniiflorum*, ii. 473.
 — *gracile*, ii. 477.
Diastemanthe, iii. 509.
 — *platystachys*, iii. 509.
Diastemella, ii. 477.
 — *bracteosa*, ii. 477.
Diazeuxis, ii. 254.
 — *latifolia*, ii. 254.
 — *serrata*, ii. 71, 254.
Dicalymma, ii. 192.
 DICHÆA, iii. 268.
Dichæa, iv. 152.
Dichæa brachypoda, iii. 268.
 — *echinocarpa*, iii. 268.
 — *echinocarpa*, iii. 269; iv. 270, 302.
 — *glaucæ*, iii. 268.
 — *latifolia*, iii. 269.
 — *muricata*, iii. 268.
 — *muricata*, iii. 269.
 — *œrstedii*, iii. 269.
 — *panamensis*, iii. 269.
 — *squarrosa*, iii. 269.
 — *squarrosa*, iv. 302.
 — *trichocarpa*, iii. 269.
 — *trichocarpa*, iv. 270.
 — *trulla*, iii. 269.
Dichætophora campestris, ii. 120.
Dichasium parallelogrammum, iii. 647.
 — *patentissimum*, iii. 647.
 DICHONDRA, ii. 400.
Dichondra argentea, ii. 400.
 — *macrocalyx*, ii. 400.
 — *repens*, ii. 400.
 — *sericea*, ii. 400.
 DICHORISANDRA, iii. 389.
Dichorisandra aubletiana, iii. 389.
 — *longifolia*, iii. 393.
 — *mexicana*, iii. 390.
 — *ovalifolia*, iii. 390.
 — *persicariæfolia*, iii. 389.
 — *warscewicziana*, iii. 394.
 DICHROMENA, iii. 457.
Dichromena, iii. 458; iv. 231.
 — *ciliata*, iii. 457.
 — *globosa*, iii. 457.
 — *gracilis*, iii. 467.
 — *humboldtiana*, iii. 458.
 — *leucocephala*, iii. 457.
 — *micrantha*, iii. 466.
 — *nervosa*, iii. 457.
 — *pubera*, iii. 458.
 — *pura*, iii. 457.
 — *radicans*, iii. 458.
 — *robusta*, iii. 467.
 — *schiedeana*, iii. 465.
 — *tenuis*, iii. 458.
Dichrophyllum marginatum, iii. 101.
 DICKSONÆ, iii. 595.
 DICKSONIA, iii. 596.
Dicksonia, iii. 595.
Dicksonia adiantoides, iii. 596.
 — *apiifolia*, iii. 596.
 — *cicutaria*, iii. 596; iv. 115.
 — *coniifolia*, iii. 597.
 — *cornuta*, iii. 596.
 — *dissecta*, iii. 596, 597.
 — *distenta*, iii. 596, 597.
 — *erosa*, iii. 596.
 — *exaltata*, iii. 596.
 — *guatemalensis*, iii. 596.
 — *incisa*, iv. 115.
 — *multifida*, iii. 597.
 — *ordinata*, iii. 596.
 — *regalis*, iii. 596.
 — *rubiginosa*, iii. 597; iv. 115.
 — *schiedei*, iii. 597.
 — *sellowiana*, iii. 597.
 — *tenera*, iii. 596.
 — *umbrosa*, iii. 597.
 — *wendlandi*, iii. 597.
 DICLIPTERA, ii. 524.
Dicliptera acuminata, ii. 524.
 — *assurgens*, ii. 524; iv. 106, 113.
 — *assurgens*, ii. 525.
 — *hænkeana*, ii. 524.
 — *mollis*, ii. 524.
 — *multiflora*, ii. 525.
 — *peduncularis*, ii. 525.
 — *pseudovercillaris*, iv. 80.
 — *resupinata*, ii. 525.
 — *scorpioides*, ii. 526.
 — *sexangularis*, ii. 525.
 — *spicata*, ii. 524.
 — *trifurcata*, ii. 525.
 — *unguiculata*, ii. 525.
 DICORIA, ii. 149.
Dicoria brandegei, ii. 149.
Dicotyledones, iv. 201, 223.
