

- Manihot microcarpa*, iii. 121.
 — *rhomboidea*, iii. 121.
 — *utilissima*, iii. 121.
 MANISURIS, iii. 521.
Manisuris granularis, iii. 521.
 — *granularis*, iv. 301.
Mapouria, ii. 50, 51.
 — *parviflora*, iv. 157.
 MARANTA, iii. 310.
Maranta arundinacea, iii. 310.
 — *gibba*, iii. 310.
 — *indica*, iii. 310.
 — *jacquini*, iii. 310.
 — *lutea*, iii. 310.
 MARANTEÆ, iii. 309.
 MARATHRUM, iii. 39.
Marathrum flexuosum, iii. 39.
 — *fœniculaceum*, iii. 39.
 — *oxycarpum*, iii. 39.
 — *ricciæforme*, iii. 39.
 — *schiedeanum*, iii. 39.
 — *tenue*, iii. 39.
 MARATTIA, iii. 696.
Marattia alata, iii. 696.
 — *alata*, iv. 298.
 — *lævis*, iii. 696.
 — *laxa*, iii. 696; iv. 116.
 — *microphylla*, iii. 696.
 — *weinmanniæfolia*, iii. 696.
 MARATTIACEÆ, iii. 695.
 MARCGRAVIA, i. 89.
Marcgravia affinis, i. 90.
 — *caudata*, i. 90.
 — *nepenthoides*, i. 90.
 — *occidentalis*, i. 91.
 — *paradoxa*, iii. 427.
 — *parviflora*, i. 91.
 — *pedunculosa*, i. 91.
 — *picta*, i. 91.
 — *polyantha*, i. 91.
Marcgraviaceæ, iv. 237.
 MARCGRAVIEÆ, i. 89.
 MARGARANTHUS, ii. 424.
Margaranthus lemmoni, iv. 75.
 — *solanaceus*, ii. 424.
 — *tenuis*, ii. 424.
 Margaris, ii. 44.
 — *barbigera*, ii. 4.
Margarocarpus obliquus, iii. 159.
Marginaria dimorpha, iii. 654.
 MARICA, iii. 325.
Marica, iv. 231.
Marica acorifolia, iii. 325.
 — *gracilis*, iii. 326.
 — *martinicensis*, iii. 326.
 — *paludosa*, iii. 328.
 — *tinctoria*, iii. 331.
Marica variegata, iii. 326.
 MARILA, i. 98.
Marila macrophylla, i. 98.
 MARINA, i. 235.
Marina gracilis, i. 235.
 MARIPA, ii. 382.
Maripa densiflora, ii. 382.
 — *nicaraguensis*, ii. 382.
 — *panamensis*, ii. 382.
Mariscus, iii. 453.
 — *ambiguus*, iii. 453.
 — *asper*, iii. 453.
 — *atrosanguineus*, iii. 453.
 — *flavus*, iii. 447.
 — *longiradiatus*, iii. 448.
 — *mexicanus*, iii. 449.
 — *mutisii*, iii. 449.
 — *oaxacensis*, iii. 449.
 — *pallens*, iii. 453.
 — *patulus*, iii. 448.
 — *pycnostachyus*, iii. 450.
 — *karwinskianus*, iii. 449.
 — *rufus*, iii. 449.
 — *tribrachiatus*, iii. 453.
 MARKEA, ii. 429.
Markea neurantha, ii. 429.
 MARRUBIUM, ii. 570.
Marrubium hamatum, ii. 571.
 — *vulgare*, ii. 570.
 MARSDENIA, ii. 336.
Marsdenia, iv. 254.
Marsdenia clausa, ii. 336.
 — *coulteri*, ii. 336.
 — *crassipes*, ii. 337.
 — *maculata*, ii. 337; iv. 104, 113.
 — *mexicana*, ii. 337.
 — *obovata*, ii. 336.
 — *propinqua*, ii. 337.
 — *zimapanica*, ii. 338.
 MARSILIA, iii. 710.
Marsilia brevipes, iii. 711.
 — *mexicana*, iii. 710.
 — *minuta*, iii. 711.
 — *mucronata*, iii. 711.
 — *picta*, iii. 711.
 — *polycarpa*, iii. 711.
 MARSYPIANTHES, ii. 542.
Marsypianthes hyptioides, ii. 542.
 — *secundiflora*, ii. 542.
 Martia, iv. 30.
 — *mexicana*, i. 297; iv. 30.
 MARTYNIA, ii. 499.
Martynia, iv. 119.
Martynia altheæfolia, ii. 499.
 — *angulosa*, ii. 499.
 — *annua*, ii. 500.
 — *arenaria*, ii. 499; iv. 142.
Martynia botterii, ii. 499.
 — *diandra*, ii. 499.
 — *fragrans*, ii. 499.
 — *proboscidea*, ii. 500.
 — *triloba*, ii. 500.
 — *violacea*, ii. 499; iv. 142.
Mascagavia spicigera, i. 155.
 MASDEVALLIA, iii. 206.
Masdevallia astuta, iv. 89.
 — *attenuata*, iii. 207.
 — *chontalensis*, iii. 207.
 — *cupularis*, iii. 207.
 — *fenestrata*, iii. 207.
 — *floribunda*, iii. 207.
 — *floribunda*, var. *myriostigma*, iii. 207.
 — *galeottiana*, iii. 207.
 — *gracilentia*, iii. 207.
 — *harryana*, iii. 207.
 — *lata*, iii. 207.
 — *lindenii*, iii. 207.
 — —, var. *harryana*, iii. 207.
 — *lindeniana*, iii. 207.
 — *livingstoneana*, iii. 208.
 — *myriostigma*, iii. 207.
 — *reichenbachiana*, iii. 208.
 — *triaristella*, iii. 208.
 — *wageneriana*, iii. 208.
Massowia lanceolata, iii. 428.
Mastigoscleria reflexa, iii. 470.
Matamoria spicata, ii. 76.
Mathurina, iv. 244.
 MAURANDIA, ii. 441.
Maurandia antirrhiniflora, ii. 441.
 — *barclayana*, ii. 441.
 — *erecta*, ii. 441.
 — *erubescens*, ii. 441.
 — *personata*, ii. 441.
 — *scandens*, ii. 442.
 — *semperflorens*, ii. 442.
 — *wislizeni*, ii. 442.
 MAURIA, i. 222.
Mauria puberula, i. 222.
 — *seemannii*, i. 222.
Mauritia, iv. 277.
 MAXILLARIA, iii. 264.
Maxillaria, iii. 268; iv. 152, 213.
Maxillaria acervata, iii. 264.
 — *aciantha*, iii. 264.
 — *acutifolia*, iii. 267.
 — *acutipetala*, iii. 264.
 — *angustifolia*, iii. 267.
 — *aromatica*, iii. 253; iv. 301.
 — *articulata*, iii. 267.
 — *atrata*, iii. 264.
 — *aurantiaca*, iii. 264.
 — *biseriata*, iii. 253.
